(Signature of person mailing paper)

**REISSUE PETITION, DECLARATION
AND POWER OF ATTORNEY**

I hereby declare that:

1. I am one of the inventors of the subject matter which is described and claimed in the above-identified United States Patent, and for which a reissue patent is here sought, the specification of which is attached hereto.

2. I have reviewed and understand the contents of the above-identified specification, including the claims and the specification as amended by any amendment presented in the above application.

3. I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56(a).

4. I hereby request that I may be allowed to surrender and do hereby assent to surrender the above-identified Patent and request that the Patent may be reissued.

5. I verily believe that the above-identified original Patent may be wholly or partially defective. I have not claimed what I'm entitled to claim. In particular, I have not claimed the intermediates of formula (IV) found at column 7. This reissue application is broadening reissue being filed within two years of the issued date (December 14, 1999) of US patent 6,002,032.

6. Every error in the patent which was corrected in the present reissue application, arose without any deceptive intention on the part of myself.

7. I hereby claim foreign priority benefits under Title 35, United States Code, §119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

Prior Foreign Application(s) for which Priority is Claimed

P 44 04 456.6
(Number)

Germany
(Country)

13//06/94
(Month/Day/Year)

I hereby claim the benefit under Title 35, United States Code, § 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, § 112, I acknowledge the

duty to disclose to the Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application.

08/478,900
Serial No.

June 7, 1995
Filing date

U.S. 6,002,032
Status

9. The names and addresses of the inventors is as follows:

Gerhard Erker, Adolf-Reichwein-Straße 50, D-48159 Münster, Germany

Bodo Temme, Schützenstraße 63, D-48143 Münster, Germany
